

## Beginning Classes

### Exposure to Quilting-

If you have never quilted, have no tools and are not sure if quilting is something you will like, this class is scheduled for you!! We are going to make a quilted pillow. You will get to choose your own fabrics, and we will supply all tools needed, even a sewing machine. You only need to bring yourself. It is going to be fun and at the end of class you will know that you definitely do want to quilt.

Why? Because quilting is so..... much fun!!

**1 Session**

**Saturday April 21<sup>st</sup>. 9 – Noon.**

**Carol/Jean.**

**Class: \$45**

### Beginning Quilt Making-

This is a thorough class covering the basics of quilting; picking fabrics, rotary cutting, machine piecing, hand or machine quilting and bindings. Your quilt will be complete by the end of class and you will be equipped to begin a life time of quilting. We will be making a table runner.

**10 Sessions.**

**Thursdays starting May 3 – July 12<sup>th</sup> (skip May 17<sup>th</sup>) . 10 – Noon.**

**Carol**

**Class: \$100**

### Beginning Free Motion Quilting-

I have broken this class into two days. The first will be lecture, focusing on basics and trouble shooting. The next day will be devoted entirely to hands on quilting. I guarantee that you will have the feel for free motion quilting by the end of the day. You will be ready to expand on your free motion quilting as much as you desire.

**2 Sessions. *Lecture* Saturday June 16, 10– Noon**

***Hands On Class* Saturday June 23<sup>rd</sup>, 10 – 1pm**

**Carol**
