**\$15**

Learn to properly bind your quilt projects, and attach a sleeve or tab. You don't need to bring a project to class with you, we will have a sample for you to work on.

#### **Pattern Reading-**

**1 Session, Friday February 26<sup>th</sup>, 10 – Noon**

**Carol Skinner**

**Carol**

**\$50**

If you are comfortable free motion quilting and want to add some designs to your quilt repertoire this class will give you lots of ideas. Depending on interest we can stay basic or get into feathers, leaves or true stippling. I try to adapt this class to you!

### **Special Events:**

#### **ABC of Needles:**

**1 Session, Saturday, January 30<sup>th</sup>, 10 – 2 pm**

**Carol Skinner**

**\$25**

This going to be a lecture and round robin format. All you need to bring is yourself and a notebook and pencil. I will be discussing needles. This is one subject that confuses most quilters and sewers. "How do I know which needle to use, there are so many different types." I will have lots of hand outs and samples and the second half we are going to sew with different types of needles and understand the differences and functions of each type of needle.

#### **Mystery Quilt: 42" x 60**

**10 monthly sessions, 1<sup>st</sup> Saturday of each month beginning February 6<sup>th</sup>, 1-3pm**

**Jean Hunter**

**\$15/month for fabrics, pattern & class**

This is a 10 month project. The sample has traditional piecing & paper piecing. I don't think anyone will not like this quilt. It is scappy so it should coordinate with any decor.

## Project Classes:

### Biblical Blocks & Devotions:

**12 Sessions, Saturdays, February 6 - May 2nd, Skip Easter  
May 3<sup>rd</sup>, 10 - Noon**

or

**Mondays, February 8 -May 3<sup>rd</sup> 2 – 4p**

**Virginia Kline**

**\$7 per session & photocopy cost**

We are finally ready to begin Virginia's spectacular Biblical Quilts. Each block is a symbol from the bible. This going to be a great time of fellowship as well as a great learning quilt. Virginia has chosen traditional pieced blocks, (there is an option to hand piece), paper piece and appliqué. The picture does not give justice to Virginia's hand made quilt stencils which she is going to share with you during class! Register now so we can set-up a time to pick fabrics, if you would like help!

### Japanese Jigsaw Quilt-

**3 Sessions, Thursdays, February 25, March 4 & 11<sup>th</sup>, 10 –  
Noon**

**Linda Ferguson & Chris Paige**

**\$21+ pattern & template**

This quite a stunning quilt in person. Those of you who are looking for new techniques this is an interesting project. There is a ruler that makes the technique even more interesting. This is also attractive in multi-color combinations.

## Bag Classes:

### Scrap Bag:

**1 Session, Saturday, January 23<sup>rd</sup>, 10 – Noon**

**Sam Skinner**

**\$12**

As many of you may know, Sam made a lot of these bags when she went to Australia with "People To People" and many of you kindly supported her efforts by purchasing a bag from her. We have so many new customers who weren't able to take advantage of Sam's project, and Sam has refused to make another scrap bag, so she is going to teach us how to make them!

### Grids & Grommets

**3 Sessions, Fridays February 5, 12 & 19<sup>th</sup>, 10 – Noon**

**Angie Messerly**

**\$21 +pattern**

This is a versatile bag that can be made in two sizes. It could be easily made with jelly rolls.

It is already the center of conversation here at the shop. It is functional and attractive!!

### Wool Classes:

#### Blue Bird Pincushion-

**2 Sessions. Fridays, March 5 & 12<sup>th</sup>, 10 – Noon**

**Angie Messerly**

This is a unique pincushion that would look great in your quilting room, or as a gift for someone special.

### Machine Embroidery Classes:

#### Cottage Rose Sewing Room Collection-

**3 Sessions. Tuesdays, January 26 & February 2 & 9<sup>th</sup>  
10 – Noon**

**Linda Ferguson & Chris Paige**

**\$21+ design CD**

This is going to be a great class! It is just the most elegant set and will really dress-up your sewing room. We will be making the sewing machine cover and the sewing machine caddy in class. We will discuss the needle case during class. If there is interest we will add it on! There is machine embroidery on these samples, but you do not need to have an embroidery machine to participate. You can use one of our machines for class, or just skip the embroidery.

#### Roses & Lace-

**2 Sessions**

**Tuesdays, February 16 & 23, 10 - Noon  
or**

**Saturdays, February 20 & 27<sup>th</sup>, 3 - 5 pm**

**Nancy Cabbage**

**\$12 +Design CD**

This is a beautiful doily and rose set. The weight of thread used during the embroidery process determines the type of lace achieved. Crochet, delicate etc... The nice thing about this design is that there are many options available to make the doilies.

**Cross Stitch Pansy Table Runner-**

**1 Session**

**Tuesday, March 16<sup>th</sup>, 10 - Noon**

**or**

**Saturday, March 13<sup>th</sup>, 3 - 5pm**

**Nancy Cabbage**

**\$12 + Design CD**

**Crochet table runners and table clothes available**

For this class the table runners or table toppers are already assembled. We will be putting the cross stitch embroidery designs onto the toppers. The effect is quite awesome because the center of these toppers are ada cloth, so the samples look as if they have actually been cross stitched.
