

Software Classes

Digitizer MBX-

We will be meeting monthly to begin to learn how to use this phenomenal digitizing software. If you have not purchased or upgraded, feel free to stop in and see the capabilities and user friendliness of this digitizing program.

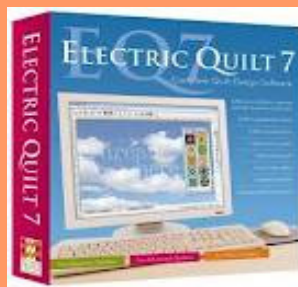

Monthly Sessions.

**The last Tuesday of each month. Starting April 24, May 29, June 26
6-8pm.**

Chris.

Class: \$12/monthly session

Electric Quilt 7 -

We are going to be meeting monthly to learn a specific element of Electric Quilt. There will be no sewing in this class, just designing and learning how to use this wonderful program.

Monthly Sessions.

**The first Tuesday of each month. Starting April 3rd, May 1 & June 5
5-8pm.**

Lois.

Class: \$15/session
